

The euPrevent PROFILE project is now slowly coming to an end. Time flies, and we are

happy to share with you our save-the-date for our upcoming activity conference!

euPrevent PROFILE | April 2023

Furthermore, in this newsletter we want to provide updates of some activities and outputs, such as the extensive overview of good practices that is now available online. Would you like to know more about the euPrevent PROFILE project? Then check out our our website.

In this newsletter we want to tell you about • Save-the-date for our upcoming activity conference

• Citizen summits that were held in Kerkrade (NL), Liege (BE), and Thimister-

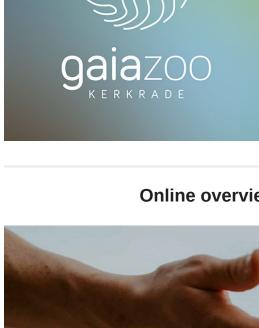

eHealth overview • Some good practices

• Online overview good practices online

Save the date for our Activity Conference!

16:30.

Clermont (BE)

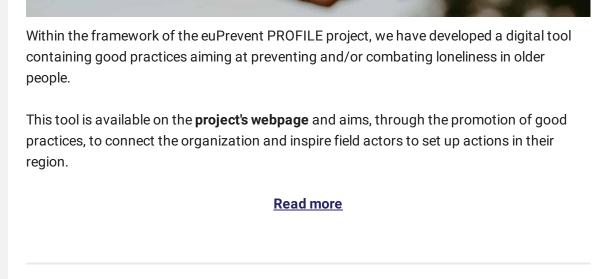

started our project, and we think that the time has come to present and share our experience with all of you! **Read more**

It has been already two years since we

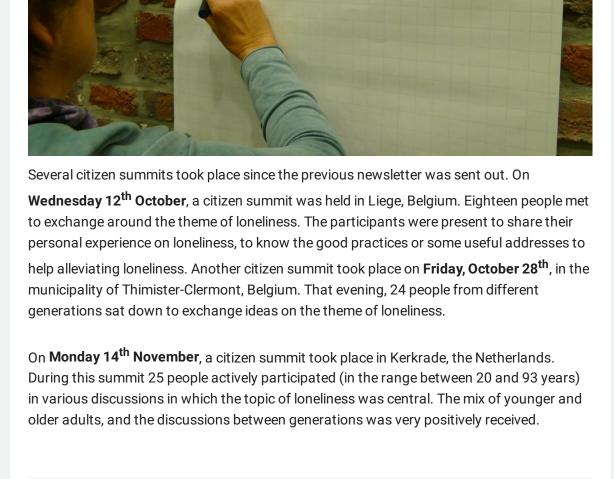

We are pleased to announce our euPrevent PROFILE Activity Conference, which will take place on Thursday 1st of June 2023 at Gaia Zoo in Kerkrade (NL), from 9:00 to

Overview of eHealth applications

Do you know of any eHealth applications (app or website) that focus on providing opportunities for social contact or aiming at reducing feelings of loneliness? We are working on an overview of existing eHealth

apps developed in the Netherlands, Germany, or Belgium, excluding social media apps. One further prerequisite is that these are tested (and safe) and are based on non-profit principles. Please let

us know by contacting

communication@euprevent.eu

Good practices

"Taschengeldbörse" in the district of Düren is organized by the coordination office "Pro Seniorinnen und Senioren im Kreis Düren" (Pro Senior Citizens in the District of Düren) to promote understanding and encounters between the generations and to strengthen
